

# SPONSOR A MEMBER PROGRAM

A program by members, for members.

For more information or to sponsor a business membership, please contact Jaimie 306.292.7066.

 PRAIRIE SKY  
CHAMBER OF COMMERCE

As COVID-19 swept across the world and into our region, the Prairie Sky Chamber demonstrated just how important membership to a chamber of commerce is for local businesses. As a chamber, we not only work hard to connect and promote local businesses but we are also a resource, helping businesses going through the stresses of COVID-19, to stay informed, adapt and access funding.

Do you know of a local business that would benefit from belonging to the Prairie Sky Chamber of Commerce but maybe can't afford a membership at this time? Give back to your community and support local business by sponsoring a business in need.

We will **never** publicize the business in need, we will only recognize your business for being a sponsor of the program by putting your logo and website link on the Sponsor a Member Program page of our website. Of course, if you choose, you may also request to remain anonymous.

As a **THANK YOU**, we will offer you one complimentary ad in our monthly Chamber Chat newsletter.

If interested, please complete this form OR contact the Chamber office at 306-292-7066.
